

Finance Policy
For
Morris Dental Clinic
Dr. Fariba Sharifan

In the effort to keep costs down, payment is due when services are rendered. We accept all forms of debit/credit cards, cash, checks and Care Credit. For your convenience, you may apply for a payment plan through Care Credit and we also offer in house payment plans which must be arranged and/or approved prior to your appointment.

Lab related services such as crowns, bridges, implants, partial or full dentures, etc. require a minimum of 50% payment at the preparation date and the remaining 50% must be paid by the time the services are completed/inserted.

As a courtesy to our patients who have dental coverage, we will be happy to file your claim. Your deductible and co-payment are due at the time that services are rendered. For patients who have two insurance plans, their claims will be submitted to secondary insurance as well. The remaining balance after the primary carrier's payment is the patient's responsibility if the secondary insurance does not make payment.

A \$25 FEE IS AUTOMATICALLY CHARGED TO THE PATIENTS ACCOUNT FOR ANY MISSED APPOINTMENTS OR CANCELLED APPOINTMENTS WITH LESS THAN A 24 HOUR NOTICE.
